

Markerstudy aiming to be the main attraction at the BIBA conference

As the anticipation builds for BIBA, Markerstudy isn't shying away from its 'putting the fun into insurance' reputation and welcomes you to join us for some classic British fun!

It's fair to say we'll be revelling in the joy of yesteryear, whilst keeping a keen eye on future opportunities, too. We'll also be showcasing some of Markerstudy's top attractions, so 'roll up' to find out more about:

- Markerstudy Insurance Services Limited
- Markerstudy Distribution
- Auto Windscreens
- Clegg Gifford
- Vision Vehicle Solutions
- VisionTrack

Stand E50 is where we'll be pitched and our sight is fixed on how we can support you, your business and your customers.

We look forward to seeing old friends and new, and together experiencing the pell mell of this year's show.
