

GET YOUR TEAM IN THE GAME.

SalesScreen is the only gamification platform that taps into the psychological drivers which motivate individuals - from bottom to top performers - to achieve goals.

By harnessing the power of motivation, your team will hit company goals faster through boosted productivity and performance.

Your team is a unique group, so why are you using the same "one-size-fits-all" tactics to motivate them?

SalesScreen is the **perfect solution** for sales teams looking to increase motivation, morale, and engagement with gamification elements that motivate sellers to goal.

SalesScreen gives you everything you need to boost motivation and get your teams hitting goals faster.

On demand access to real time data through dashboards and cross-team sharing of ongoing efforts in the social feed keep teams connected and instill accountability in KPIs. Boosting performance on those same metrics through over a dozen different competition types lets you take the guess work out of how to motivate each individual on your team.

Once you've got your team focused on improving their KPIs, keep them in the loop by broadcasting wins - big and small - across desktop, mobile and TV screens in the office. Finally, reward their efforts with coins which can be used to redeem items at the customizable reward shop.
