

PRESS RELEASE

CEC are bringing their unique claims support service to BIBA 2024

We are pleased to announce that Claims Equilibrium Club (CEC) will be attending this years BIBA Conference. You will find us on Stand A16. Joining you from our team is Roger Topping our Managing Director, Director David Ashe, Christine Thomson, Paul Nicholson and Morgan Cooper.

The CEC service can change the way that brokers resource claims support. We use fully qualified independent Loss Adjusters to support our member brokers and their clients.

Our team will be on hand to explain how the CEC service can benefit brokers and clients alike. Learn more about our unique service features, the policy types included and how this creates a valuable income stream.

We look forward to seeing you all at this years event. If you would like to schedule a meeting with one of our team ahead of this years event please contact- info@claimsec.co.uk
