

FOR IMMEDIATE RELEASE

Road Angel @ BIBA Conference 2024

## **Road Angel Revolutionises Insurance Sector with Cutting-Edge Safety Solutions at BIBA Conference Manchester 2024**

Road Angel, a leading provider of innovative safety solutions, is set to showcase its groundbreaking products at the upcoming BIBA Conference in Manchester this year. With a focus on transforming the insurance landscape, Road Angel introduces its flagship offerings: the Road Angel Pure and Road Angel Halo Dash Cams.

### **Preventing Accidents, Streamlining Claims Process**

Road Angel Pure emerges as a game-changer in accident prevention technology, designed to proactively reduce risks on the road. Its advanced features and real-time alerts empower drivers and contribute to safer journeys, ultimately lowering the frequency and severity of accidents.

In the event of an accident, Road Angel Dash Cams come into play, significantly expediting the claims process. Equipped with state-of-the-art recording capabilities, these dash cams provide clear and irrefutable evidence, facilitating prompt resolution of claims and minimising disputes.

### **Nationwide Installation Network**

To ensure seamless integration of its products, Road Angel boasts a nationwide network of approved installers. This extensive network guarantees prompt and professional installation services, offering convenience and peace of mind to insurers and policyholders alike.

### **Benefits for Insurers and Insured**

The benefits of Road Angel products extend to both insurers and insured parties. Insurers stand to gain from reduced claims processing times, improved risk management, and enhanced customer satisfaction. Meanwhile, policyholders benefit from increased safety on the roads, lower insurance premiums, and expedited claims settlements.

## **Meet Road Angel at Stand A76**

Road Angel invites brokers, insurance companies, and underwriters to visit Stand A76 at the BIBA Conference. Meet our visionary leader, Gary Digva, who will be available to discuss how our products can revolutionise the claims process and drive tangible results for your organisation.

## **About Road Angel**

Road Angel is a pioneer in developing innovative safety solutions for the automotive industry. With a commitment to excellence and safety, Road Angel strives to empower drivers and enhance road safety worldwide.
