

Gateley Smithers Purslow to exhibit at BIBA 2024

Gateley Smithers Purslow (GSP) is pleased to be returning to the annual British Insurance Brokers' Association (BIBA) conference and exhibition on Wednesday 15 and Thursday 16 May 2024 at Manchester Central Convention Complex. Visitors will be able to meet with the GSP team on **stand A26** throughout the two-day event.

Gateley Smithers Purslow

A multi-disciplinary surveying, engineering and architecture consultancy servicing the insurance, residential and commercial sectors from its network of 16 UK offices.

Comprising chartered building and quantity surveyors, civil and structural engineers, and architecture and planning specialists, its nationwide team of 180 experts work collaboratively to deliver full-service solutions from the initial assessment of property damage and issues, through to the full management of repairs and rebuild projects.

Insurance claim specialists

GSP specialises in resolving buildings insurance claims focussing on major, high-net worth and complex loss, legal disputes and recoveries, and unique forms of construction.

Its expert teams act for insurance companies, loss adjusters, risk managers, brokers, local authorities, housing associations, lawyers and policyholders, and has extensive experience in assessing damage for domestic and commercial properties and resolving a wide range of perils including fire, flood, storm, impact, accidental damage, escape of water, subsidence, heave and landslip. This includes advising on heritage and conservation matters for listed buildings and providing solutions in line with conservation guidance.

A leader within the construction and insurance sectors

In 2023, GSP achieved Certified Carbon Neutral Status demonstrating its commitment to being an industry leader without compromising on its environmental impact. It also holds ISO 14001 certification, the international standard for environmental management systems.

In addition to industry practices, the consultancy has successfully retained platinum status of the Investors in People 'We invest in people' accreditation until 2025, demonstrating its commitment to creating and maintaining an engaging, supportive and productive workplace culture.
