

As an established Motor Claims Management and Legal Expense Insurance provider for over 10 years, United Legal Assistance knows what exceptional claims handling and service looks like. With a team of experienced directors and claims professionals with vast experience, we are dedicated to creating the best possible client claims journey.

Our success is evidenced by our provision of products and services to over 400 Insurance Brokers throughout the UK. With our market-leading online portal, which allows real-time claims tracking and add-on product sales, we are driving a forward-thinking end-to-end motor claims solution.

By choosing to partner with us, you will benefit from the following:

- A full range of services following an accident, which are all managed in-house
- Access to market-leading Legal Expense add-on products, which are live on Acturis/SSP
- 24-hour, 365 days a-year reporting line, ensuring no clients are left roadside
- Dedicated claim handlers and account manager
- Exceptional customer service, where the client is at the heart of all we do
- Real-time claims tracking portal
- Access to white-labelled marketing packages
