a select group of elite
professionals who are fully
qualified.

YOUR STUDY OPTIONS

We offer **four** main study pathways for you to choose from

Live Virtual Training

This option is perfect for those with busy schedules.

You can learn conveniently from the comfort of your home or office through **weekly live virtual sessions**.

Join our trainer live, every week **at a set day and time**.

Fast-Track Training

Are you feeling ambitious and eager to become qualified in record time?

Then our fast track option is ideal for you.

With this pathway, delivered primarily face-to-face and available as a live virtual session if needed, you can achieve your **CERT CII qualification in just 12 days**.

Staggered Fast-Track Training

Looking for a flexible yet accelerated path to certification?

Our Staggered Fast-Track option combines the advantages of flexibility and acceleration.

The **12-day** training program can be **staggered into three sets of four-day blocks**, allowing you to break down your certification journey into manageable segments that seamlessly integrate with your schedule.

This pathway is delivered primarily face-to-face and available as a live virtual session if needed.

Revision Only Training

Think you've got a good handle on your exam preparation but could benefit from a **final brush-up before the big day?**

Then our revision only option is just the right fit for you. Perfect for those who prefer self-study but want the added assurance of a comprehensive review.

Enjoy the convenience of learning from the comfort of your home or office through **live virtual revision sessions**.

TRAINING & EXAM FEES

You have two payment options for your professional studies:

Self Funded

Means self or employer funded. Here you or your employer pays the full cost of training and any professional exam costs.

Click next for pricing details...

Government Funded

Government funded, via the National Apprenticeships route. Here the government will pay majority of the cost of the training and exam fees. With the apprenticeships route, there are additional requirements to meet.

For advice and guidance on this, its best that you speak to our funding specialist.
