

MercariRisk is delighted to attend BIBA for the fourth year running as the official BIBA scheme provider for all marine insurance lines. We operate on a wholesale basis and have a select insurer panel consisting of leading UK based insurers and specialist MGA's. We cater for all types of marine risks: Cargo (including stockthroughput, and freight forwarders open cargo policies with no M&D required), Freight Liability, Hull, P&I Club, Marine Trades, Charterer's liability and more.
