Cargo Insurance

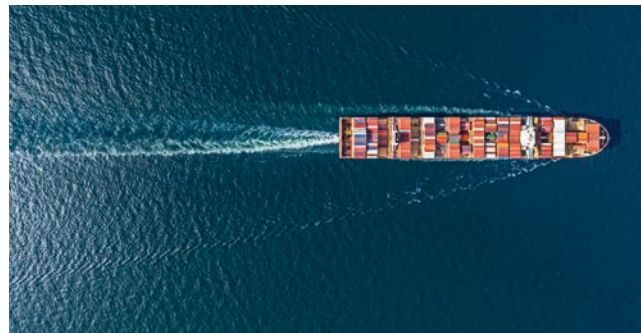

Cargo Insurance covering goods in transit by road, sea or air including while being stored temporarily during the normal course of transit.

Extensions can include:

- Storage outside of transit (stock throughput)
- Deterioration of chilled/ frozen goods
- Equipment, goods and samples at exhibition sites

Clients that can benefit from Cargo Insurance:

- Importers
- Exporters
- Manufacturers
- Wholesalers
- Retailers
- Repairers
- Any person or company which owns goods on the move
- Freight Forwarders (Shipper's interest)

Freight Liability Insurance

Freight Liability Insurance covering the legal liability of a goods carrier to the owner of the goods, as specified by Common law, International Conventions, or Contract Conditions.

Clients that can benefit from Freight Liability:

- Freight Forwarders
- Hauliers
- Couriers
- Warehouse-keepers
- 3rd party & 4th Party Logistics

MercariRisk assist in providing bespoke insurance solutions that are relevant and fit for purpose – no matter your clients operation

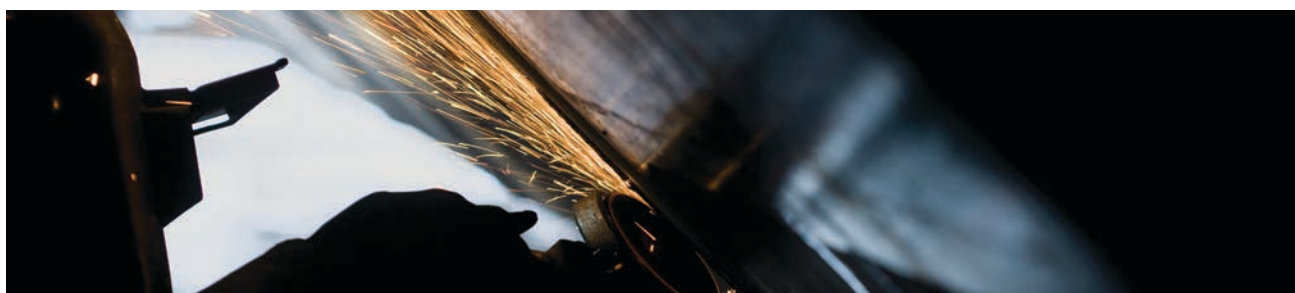

Marine and Maritime Insurance

Maritime industries require a blend of marine and non-marine insurance to provide bespoke insurance policies, so you know exactly what risks you're covered for.

Marine and Maritime caters for:

- Marinas and boatyards
- Marine Traders: engineers, repairers, maintenance technicians, chandlers and many more!
- Yacht and boat charter companies and charterer's liability
- Ferry operators
- Work boats
- Dive / leisure boats
- Fishing vessels
- Marine and Civil Engineering contractors
- Ports, Terminals & Stevedores
- Towage and salvors
- Yachts and pleasure craft
- Super yachts

Not listed? We can't possibly name all marine trades, still get in touch if your specific industry is not listed!

Marine Insurance Appetite Guide

Your one-stop shop for maritime sector risks!

MercariRisk has over 35 years of marine and non-marine insurance experience. We help brokers navigate their way through the complexities of maritime risk.

How MercariRisk can help you

Our marine market connections run deep. We have access to a wide panel of specialist marine insurers. This includes specialist MGAs and Lloyds Underwriters.

We take a consultative approach to business, assisting you to create compelling

broking presentations, often turning hard to place risks into insurable ones.

We take away your pain by giving you access to our expertise and experience, helping you win and retain maritime based clients.
